

GLOBAL DESTINATIONS

Vision

Andritz - World market leader for high-tech production systems and services for pulp, paper, steel, and other specialized industries.

Company profile

The Andritz Group is a global market leader in the supply of customized plants, systems, and services for the pulp and paper industry, the steel industry, solid/liquid separation, and animal feed production. Headquartered in Graz, Austria, the Group has about 5,900 employees worldwide. It manufactures and sells its products and services globally.

The Group is regarded as a technology leader in each of its Business Areas, with full-line capabilities in critical process areas. In addition, Andritz offers comprehensive services including the supply of replacement parts, the manufacture of engineered wear products, and the provision of technical support services, which help customers optimize production and reduce overall costs.
